## **SUMMARY REPORT BOARD OF CULTURAL ACTIVITIES (BOCA)**

### **1. HODGE PODGE 2018 – A Get Together Party**

**Date: April 27, 2018**

ROCK ON – The Cultural Club of the Student Development Cell, School of Business Management, hosted an event called "HODGE PDGE 2018" - A Get Together party on Friday, April 27, 2018. Director SBM wished all of the graduating student's good luck for the future and recognized the hard work of the junior students. The SBM students gave it their all to make the event lively. Particularly the seniors enjoyed their time together immensely. The elders really loved the gathering, which featured many entertaining activities. In all, 132 students enjoyed the programme.

*Students performing activities during the event*

### **2. SAMAVESH 2018 – Annual Cultural Fest**

**Date: March 25, 2018**

“Samavesh-2018” was inaugurated by lighting of lamp by Chancellor Shri Rajiv Kothiwal and Vice Chancellor Prof. Ashoke K. Ghosh. A number of events were organized by organizing committee in “Samavesh-2018” like Shiv Tandav, Cultural Song, Cultural Dance viz. Rajasthani Folk Dance etc. Ms. Shruti Singh, the student of IFTM University and Singer of SaReGaMaPa reality show, attracted the audience of Pandal by her super singing performance. On this historic occasion, the annual magazine of “AROMA” was released with the presence of students, their families and staff. Aroma unveils the information regarding the academic, cultural, sports and extracurricular activities and developments that had taken place in the entire University over the year. Vice Chancellor Prof. Ashoke K. Ghosh in his inaugural speech mentioned the highlights, milestones of the past year, achievements of the academic session and growth scenario of the University. He

said “Culture is the total way of life that people in the society are blessed with. Culture is the characteristics of a particular group of people, defined by everything from language, religion, cuisine, social habits, music and arts. Through culture, we are governed by norms and customs, which are the pillars of any society. If these pillars are not properly followed in our society, our culture will resemble a perfume with no smell.”

Prince Dance Group from Bhuvneshwar, winner of India’s Got Talent, also performed majestically. The dance performances on Martyrdom of Indian Soldier won the hearts of the audiences. Everyone present in the Pandal was very much delighted and full of patriotic feelings to see their dance patterns and formations. Shiva Tandav Dance was felicitated by Hon’ble Vice-Chancellor Prof. Ashoke K. Ghosh for their idyllic, heart winning and gripping performances. There was praise, clapping, hooting and huge enthusiasm among the students in the pandal. The students enjoyed a lot and also were astonished to experience such a colorful and magnificent event.

### 3. “TEACHERS SHAPE THE FUTURE” – A Teacher’s Day Celebration

**Date: September 05, 2017**

ROCK ON – The Cultural Club of Student Development Cell, School of Business Management, had a celebration for Teachers Day called "Teachers Shape the Future" - A Teacher's Day on Tuesday, September 05, 2017, Celebration. The teachers' day honors the enduring bond between pupils and educators. The students applaud the commitment and love with which their teachers shape the futures of the students' brains as well as the excellence of their instructors. Additionally, it gives students a chance to express gratitude to their teachers and tell them how much their efforts in shaping them into good people have helped them succeed. The SBM students celebrated teachers' day to show their appreciation for the tremendous effort made by their teachers towards their development. Prof. Nisha Agarwal shared her experience of working in this Organisation. In all 162 students was present and all of them enjoyed the programme.

*Teachers' day celebrates the pious relationship between the students and teachers*

### 4. Teachers Day Celebration

**Date: September 05, 2017**

School of Pharmaceutical Sciences in collaboration with Pharmacy Academy celebrated Teachers' Day on September 05, 2017 in a way that was not only enjoyable but also productive.

"Teachers Day" is a way to appreciate teachers, evaluate their performance, and discuss opportunities for professional development. During this time of year, it's also a great opportunity to thank teachers for all they have done for their students. To start the event, Dr. Anurag Verma, Dean, Pharmacy at IFTM University, was the one to perform the traditional "cake cutting" ceremony to kick off the event. After that, the students were bombarded with the perspectives and ideas of Dr. Anurag Verma. This left the students feeling completely overawed. Each of the students who had participated in the activity was given participation certificate in the form of a letter of gratitude that was sent to them after the event.

## **SUMMARY REPORT BOARD OF SPORTS ACTIVITIES (BOSA)**

### **5. SHAURYA 2018 – Annual Sports Meet**

**Date: March 13-23, 2018**

The much awaited Annual Sports Day was held with great zeal, excitement and in the pleasant atmosphere. “Annual Sports Meet 2018” was organized with an aim to enhance the experiences in qualitative aspects of their personality. “Annual Sports Meet 2018” was inaugurated by Hon`ble Chancellor Mr. Rajiv Kothiwala and Vice Chancellor Prof. (Dr.) Ashoke K. Ghosh by flying balloons in the sky. Inaugural ceremony was initiated by march-past performed by students of all Schools of the University. The sports including events namely: cricket, football, table-tennis, badminton, basketball, volleyball, carom, chess, discus throw and athletics were organized. Students were dressed in respective School`s sports kit and the appearance were looked pretty awesome. There was huge enthusiasm and excitement amongst the students while march past. They hooted and raised slogans in the support of their School`s team. In the opening ceremony of the event Hon`ble Vice-Chancellor Prof. Ashoke K. Ghosh encourage the students for their active participation.

School of Business Management stood first by winning 11 Gold medals, 6 Silver medals and 6 Bronze in the Annual Sports Meet. School of Business Management was declared as the overall champion for the year 2018. School of Sciences stood second by winning 6 Gold medals, 5 Silver medals and 6 Bronze and University Polytechnic was third by winning 6 Gold, 6 Silver and 3 Bronze medals. The Sports Meet 18 was not limited to the participation of the students rather faculty members also actively participated and performed to the best of their capabilities.

*Glimpse of SHAURYA 2018*

## 6. “BATTLE OF BOARD”- The Intra Departmental Chess & Carrom Competition 2018

**Date: February 27-28, 2018**

STRIDE – The Sports Club of Student Development Cell, School of Business Management organized a two-day “BATTLE OF BOARD” – The Intra Departmental Chess & Carrom Competition 2018” on Tuesday & Wednesday, February 27-28, 2018. Board games like Carrom and Chess provide a safe environment for players to create and test strategies, tactics, and theories and get immediate feedback on the various decisions made throughout the game. By participating in these games, students are able to improve their concentration, planning skills, cognitive skills, decision-making skills, ability to think rationally, aptitude in recognizing patterns and sense of team spirit. In all, 68 students from all the programme participated in the competition, out of which 8 students (each for Chess & Carrom) were shortlisted. It was a highly interactive and interesting competition. All the students enjoyed the event.

Students got a formal introduction of the company, its working, marketing and R&D etc. The session was interesting and many of the queries of the students were also resolved. Later the HR of the company took us for the visit of manufacturing unit where he explained about the production process along with how safe and clean packaging was performed and they also told students about the microbial safety issues.

*Students during the visit with the faculty members*

### 13. Conceptual Discussion on National Science Day

**Date: February 28, 2018**

National Science Day is celebrated annually on February 28. National Science Day is celebrated to commemorate the discovery of Raman Effect by Nobel laureate, physicist CV Raman on this day in 1928. School of Engineering & Technology, IFTM University celebrated the big day by discussing about the development of an innovative design for comfort zone of especially abled persons. In all, 280 students participated in this event.

*Participants during discussion*

## 15. Seminar on Pharmaceutical Industrial Process Validation

**Date: February 24, 2018**

One day Seminar was organized on Topic "Pharmaceutical Industrial Process Validation" at Faculty of Pharmacy, IFTM University, Moradabad on February 24, 2018. The event was inaugurated by Prof Ashok Kumar Ghosh, Vice Chancellor, IFTM University, Guest Lecture was delivered by Mr. Rakesh Prakash Srivastava Manager Production, Biological E Pvt Ltd, Dehradun. The seminar was coordinated by Dr. Prashant Upadhyay. At this event Dr. A.K Sharma, Dr. Sushil Kumar, Dr. Anurag Verma, Dr. Navneet Verma etc. were present along with staff members and B.Pharm and M.Pharm Students.

*Mr. Rakesh Prakash Srivastava delivered the lecture on Process Validation*

## 16. Inauguration of Food Technology Laboratory

**Date: February 22, 2018**

The Food Technology Laboratory was inaugurated by Honorable Vice-Chancellor, Prof. Ashoke K. Ghosh, IFTM University on February 22, 2018. The Food Technology Laboratory is equipped with the modern technology and high-precision analytical and research instruments like cabinet tray dryer, infrared moisture balance, microwave, deep freezer, vacuum oven, hot air oven, food processor, muffle furnace for evaluation and analysis of the food products right from the farm to the plate. This Food Technology Laboratory covers multiple areas of food sciences and food technology like Food Engineering, Food Microbiology, Nutritional/Food Biochemistry, Food Fermentation Food Quality Assurance, Dairy Microbiology, Food Processing and Food Packaging. The laboratory which is competent to carry out the complete analysis as per "The Food Safety and Standards" for physical analysis, chemical analysis, microbiological analysis,

rheological analysis, basic nutrient analysis such as fat, protein, calorific value, sensory analysis. During inaugural ceremony Hon'ble Registrar, Shri Sanjeev Agarwal, Directors and Heads of various other Schools and Departments were present.

*Chief Guest inaugurating the Food Production Lab*

## **17. Hunar Haat Visit: A Visit to Weekly Rural Market**

**Date: February 16, 2018**

**VISHWAST – The Marketing Club** of Student Development Cell, School of Business Management organized a one day educational trip to ‘Hunar Haat’, an exhibition on Indian handicraft and handloom sector organized by Minority Affairs Ministry during February 11-18, 2018 at New Delhi. The main purpose of organising this trip was to provide an opportunity for management students to promote learning through outdoor interactions, and experiences. More than 100 stalls have been set up at this Hunar Haat and include products such as dry flowers from Assam; Pochampally Ikkat from Andhra Pradesh; Munga silk, Madhubani etc. 'Hunar Haat' is becoming an effective platform to strengthen the mission of "Atmanirbhar Bharat" and "vocal for local" initiative by promoting and encouraging indigenous products of master artisans and craftsmen. In all, 44 students from different programme went for this educational trip. It was a highly learning, informative and interesting trip.

*Students visiting stalls in exhibition*

## **18. Debate Competition – 2018**

**Date: February 16, 2018**

School of Agricultural Sciences and Engineering, Technical Society, organized Extempore and Debate Competition on February 16, 2018. In the Extempore Competition 24 students were judged on the skill of extemporaneous oratory, top scorers were facilitated with prizes, whereas in the Debate Competition, 12 students spoke on the given topic “Is love marriage better than arranged Marriage”?

*Students participated in debate competition*

## **19. Extempore Competition – 2018**

**Date: February 12, 2018**

Extempore enables the students to think out of the box and off the feet. It is a great platform to develop communication skill and time management. Pushes one to conceive and generate ideas without any preparation. Makes them address and analyze the issue on the spot. In order to prepare the students to take quick decision and response an extempore competition was organized by School of Agricultural Sciences & Engineering on February 12, 2018. In the present era of competition, there is a surge in the demand of students with good communication skills, both written and oral. By this event students will be able to present their views on the spot and it helped them in developing their speaking ability.

## 20. Workshop on “Career Counselling” (Advance Level)

**Date: February 08-09, 2018**

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Advance Level), on February 8-9, 2018. The workshop intends to guide the students through this whole decision-making process and will give suggestions that are beneficial for you with regards to whether they should take up a job after college or pursue a postgraduate or any other further course. Dr. Arkja Singh spoke with the students about through social media, students may connect with businesses they are interested in, learn more about their culture, express their interest in working there, and maintain focus on their dreams and professional goals. Their future job path will be guided, educated, and advanced by the experiences. The session primarily addressed all SBM final-year students. In all, 227 students attended the programme.

*Students during career counseling session*

## 21. Group Discussion on Safer Internet Day

**Date: February 08, 2018**

With a theme of “Create, connect and share respect: A better internet starts with you”, this year’s SID campaign aimed to celebrate the positive power of the internet, encouraging everyone to join the global movement, to participate, and to make the most of the internet’s potential to bring people together. School of Engineering & Technology, IFTM University organized Group Discussion on Safer Internet Day by graduates of various streams. In all, 181 students participated in this event.

*Students during discussion session*

## 22. Workshop on “Effective Communication Skills”

**Date: February 05-09, 2018**
