2. SAMAVESH 2019 – Annual Cultural Fest

Date: March 14, 2019

“SAMAVESH 2019” foundation day of IFTM University, exhibited the glimpse of extra-curricular activities along with hidden talent across the University. The event was celebrated on March 14, 2019 with full zeal and enthusiasm. “SAMAVESH 2019” established the benchmark to

a greater level this year by spell bound performances of our students and artists. The event achieved grand success and received overwhelming response of audiences.

The event was inaugurated by lighting of lamp by Chancellor Shri. Rajiv Kothiwala and other dignitaries. Guests, friends from media and parents graced the occasion by their gracious presence. The event also marked the release of annual magazine Aroma. Aroma disseminates information regarding the activities, talents, achievements and progress that has taken place in the University in past session. Aroma reflects overall snapshot of activities in University as well as the academic achievements acquired by the students and faculty members.

The event was full of fun with enthusiastic performance by students and artists into breathtaking dance and music especially Kathak and Bollywood Medley for dance, solo, duet and chorus performances in music. The event held the audience in its spell for three hours after which there was praise, acclamation and enormous enthusiasm among the spectators in the pandal. The audience enjoyed a lot and also was happy enough to experience such a vibrant and magnificent event.

Date: November 16 & 30, 2018

Career Counselling Sessions on “**Jobs and Careers in Biomedical Science**” was delivered by Ms. Ritika Saxena, Assistant Professor, School of Biotechnology on November 16, 2018 final year students of M.Sc. (Biotechnology/Microbiology/Food Technology) & M.Tech. (Biotechnology), on November 30, 2018 for First year students of M.Sc. (Biotechnology/Microbiology/Food Technology) & M.Tech. (Biotechnology) at 12:00 p.m. onwards in Seminar Hall of Mechanical building. The session began with the welcoming of the students. Students got awareness about the scope available in the field of biomedical engineering and its various streams including human biology, pathology, biochemistry, molecular & cell biology, genetics, pharmacology, immunology, applied or clinical chemistry, microbiology, epidemiology, and biomedical engineering. The session ended with the guidance by the Director, School of Biotechnology Dr. Tanzeel Ahmad.

28. A Visit to Patanjali Yogesh institute (Haridwar)

Date: November 26, 2018

As we know, Patanjali Yogpeeth comprises of a hospital, pharmacy and is also the home of the University of Patanjali. Moreover, this place depicts our culture, various benefits of yoga practices in our lives. Also, students realize the importance of socio-economic activities as well as the role of oneself in serving the society as Patanjali Yogpeeth serves lakhs of people nearby.

Students during their visit to Patanjali Yogpeeth institute

29. An Industrial Visit at Dwarikesh Sugar Industries Ltd. Bundki (Nagina)

Date: November 26, 2018

An industrial visit at Dwarikesh Sugar Industries Ltd. Bundki (Nagina) U.P. was organised by Department of Chemistry, School of Sciences on November 26, 2018. Industrial visits form an integral part of the curriculum so that the students get an opportunity to experience the practical environment.

Students during their visit at Dwarikesh Sugar Industry

30. An Industrial Visit at Synokem Pharmaceuticals Ltd. (Haridwar)

Date: November 17, 2018

An industrial visit at Synokem Pharmaceuticals Ltd. (Haridwar) UK was organised by Department of Chemistry, School of Sciences on November 17, 2018. Student exposure to real life industries is important in chemistry curriculum as one of the aspect of active learning. Student learning should go beyond academics, where they can develop insights, critical minds and obtain practical knowledge as well as theoretical applications.

Students during their visit at Synokem Pharmaceuticals

31. One day Workshop on "Total Station"

Date: November 15, 2018

School of Engineering & Technology organized a one day workshop on “Total Station” for the students of B.Tech in Civil Engineering. The purpose of this workshop was to introduce students with basics of landscape surveying, coordinate system, latitude and longitude and about the geoid model of earth with the help of total station instrument. In all, 70 students were participated in this workshop.

32. Industrial Visit to “Parle Biscuits Private Ltd., Rudrapur”

Date: October 27, 2018

Student Development Cell of School of Business Management organized a one-day Industrial Visit for the students of MBA 2nd Year at “Parle Biscuits Private Ltd., Rudrapur” on Saturday, 27th October, 2018. Students observed and learned as to how theatrical concepts are put to into action, thereby aiding their practical learning. HR Executive of the Parle plant Ms. Ritu Khulbe welcomed all the students at the auditorium. After that the students were divided into two groups and then each group was sent to the visitors’ area from where they saw the production process starting from processing of raw material and ending at packaging of various products. In all, 78 students from MBA 2nd year visited the plant. It was a highly interactive, informative and stimulating visit.

Glimpse of Industrial visit

33.An Industrial visit to Indian Medicines Pharmaceutical Corporation Limited (IMPCL), Ramnagar

Date: October 27, 2018

An Industrial visit to Indian Medicines Pharmaceutical Corporation Limited (IMPCL), Ramnagar was organized for B.Pharm Final Year students on 27/10/2018 (Saturday). The total number of students who visited the plant was 97. They were accompanied by two faculty members viz., Mr. Kamal Mahour and Mr. Ashwin Saxena. Manager Marketing of the IMPCL Dr. Manjeet Sinha welcomed all the students at the auditorium. After that Dr. Manjeet Sinha played an informative video about history and various products of company. After that the students were divided into two groups and then each group was sent to the visitors' area from where they saw the production process starting from processing of raw material and ending at packaging of various products. After that a questionnaire session was organized at the auditorium in which students raised questions regarding process of medicines making, hygiene, marketing strategies, future strategies, etc. Dr. Manjeet Sinha resolved all the queries of students to their satisfaction. The session was very fruitful for students.

Industrial visit of B.Pharm Final year Students at IMPCL, Almora, Uttarakhand

34. An Industrial Visit to Radico Khaitan Ltd., Rampur

Date: October 27, 2018

An industrial visit to Radico Khaitan Ltd., Rampur was organized by School of Biotechnology (SBT) on October 27, 2018. A total of 27 students were there from final year of M.Sc. Biotechnology, Microbiology and M.Tech. Biotechnology. They received a warm welcome from the HR of the industry. After that all were taken to conference hall, where the students were informed about with the company, it's working, marketing and R&D etc. The session was interesting and many of the queries of the students were also resolved. The purpose of the visit was to provide students an insight regarding the working environment of industries and as well as about the industrial approach for manufacturing process of alcohol, distillery and liquor.

Students during the visit with the faculty members

35. Data Collection in Legal Research

Date: October 22, 2018

A lecture was organized by School of Law, IFTM University to discuss the importance of data collection for legal research. In this lecture it was discussed that how the data collection is important in legal research. There are various kinds of data collection and every scholar or student while seeking to research must be aware of the appropriate data collection technique. In all, 47 students attended the programmed.

36. Weekly Lecture series: Polyploid and its application in crop Improvement

Date: October 17, 2018

A lecture was organized by School of Agriculture Sciences and Engineering on the topic “Polyploid and its application in crop Improvement” in continuation of weekly lecture series on different aspects of agriculture and innovations in it on October 17, 2018. The main aim was to enhance the knowledge of students in different domains and enable them to think out of the box. The speaker Dr. Yashpal Singh shared his views on the polyploidy and its application in crop improvement. The lecture was very informative and beneficial to all the students. Total 108 students have participated in the event.

Dr. Yashpal Singh delivering the lecture on the topic

37. World Food Day

Date: October 16, 2018

A Competition on the theme “Our Actions are our Future” was organized by School of Biotechnology (SBT), IFTM University on October 16, 2018 on the occasion of World Food Day. There were 3 events (Quiz, Skit, and Poster Presentation) in the competition. A total of 27 participants were there in competition from M.Sc. and B.Sc. Food Technology of IFTM University. The purpose of celebrating this day was to generate awareness globally for those who suffer from hunger and to ensure the need for food security and nutritious diets for all. Through this event, students learned the importance of food safety and nutrition. The event focused on willingness of students to learn and understand about the less wastage of food, eating better and adopting a sustainable lifestyle so that one day a world free of hunger. Mr. Suaib, Ms. Tuba, Ms. Mariyam, Mohd. Afraz and Mr. Ashish secured first position in the competition. The student who came first, second and third in this competition were awarded. Participation certificates were also awarded to all participants.

Students receiving awards on occasion of World Food Day

38. Group Discussion on World Students Day

Date: October 15, 2018

School of Engineering & Technology, IFTM University celebrated the World Students Day by organizing a group discussion between the graduates of various streams on the Topic: Is Technology headed in the right direction? In all, 100 students participated in this event.

Group discussion on World Student's Day

39. "SANJEEVANI" – The Intra Departmental Business Plan Competition 2018

Date: October 12, 2018

UDYAMI – The Entrepreneurship Club of Student Development Cell, School of Business Management organized an event "SANJEEVANI" – The Intra Departmental Business Plan Competition 2018 on Friday, October 12, 2018. Registrar, IFTM University graced the occasion as Chief Guest of the event. He said that such event cultivate entrepreneurship among participants and enhance their entrepreneurial skills. He also appreciated the efforts made by student's coordinators for handling the event.

Participant presenting her business plan to the audience & judges

In all, 14 teams (total 42 students) comprises of students from different program participated in the event, out of which 6 teams were shortlisted for the final round. Shortlisted teams were given 5-7 minute time to present their ideas after which there were questions were put up to them by the judges as well as the students. Prateeksha Gupta and Team from BBA 2nd year were declared winners of the event. It was a highly interactive, informative and interesting event. All the students enjoyed the programme.

40. Technical & Quantities Test

Date: October 12, 2018

A Technical & Quantities Test was organized in the Department of Computer Applications, IFTM University on October 12, 2018. The outcome of this activity was too aware the students with General Awareness and technical knowledge that will help them in placement assessment test. In all, 251 students from all BCA/MCA courses participated in the Technical & Quantities test. The students score the marks displayed on the notice board.

Students participating in aptitude test

41. Weekly Lecture Series: Topic- “Entrepreneurship & self-employment Opportunities in Agriculture

Date: October 10, 2018

A lecture was organized by School of Agriculture Sciences and Engineering on the topic “Entrepreneurship & self-employment opportunities in Agriculture” in continuation of weekly lecture series on different aspects of agriculture and innovations in it on October 10, 2018. The

main aim was to enhance the knowledge of students in different domains and enable them to think out of the box. The invited guest speaker Dr. Deepak Mehandiratta (Nodal Officer, JAROS, Agri-Clinic, Moradabad) shared his views on how an agriculture student can become a successful entrepreneur. He informed the students about various Government policies and institutions from where they can earn training. He emphasized that at present agriculture sector demands more scientific approach and youth must come forward in this direction. Total 153 students have participated in the event.

Dr. Mehandiratta was honored by the Director T & P

42. Workshop on “Career Awareness”

Date: October 10, 2018

The workshop was conducted by Prof. S. D. Sharma focused on different post intermediate, post UG, post PG and post Ph.D. career options in detail. He mentioned various job opportunities for students in Educational Institutes, Space Research Institutes, Research Firms, Testing Laboratories, Forensic Crime Research, Geological Survey Departments, Pharmaceuticals & Biotechnology Industry, Health Care Organizations/ Institutes, Chemical Industry, Environmental Management & Conservation, Forest Services, Wastewater Plants, and Petrochemicals Industry.

Students during the Workshop

43. Guest lecture on ‘Young People and Mental Health in Changing World’

Date: October 09, 2018

Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a Guest lecture on “Young people mental health a changing world” on October 09, 2018. The primary goal of organizing this guest lecture is aware the student what change comes in the mental health and how to overcome these conditions. Dr. S. K. Sharma, Senior psychiatric District Hospital Moradabad and Dr. Dhanajai Saxena Clinical Psychologist, National Mental Health program were the guest and eminent speakers of the event. The students and guest speaker had a lot of fun interacting with each other. Dr. S. K. Sharma and Dr. Dhanajai Saxena received a barrage of questions from the students, all of which he answered. The interactive session was a success overall. The guest lecture drew a total of 170 students. Prof. Sushil Kumar, the Organizing Secretary, gave a vote of thanks at the end of the Guest lecture.

Dignitaries during guest lecture

44. Craft Workshop

Date: October 08, 2018

School of Engineering & Technology organized Craft Workshop on October 08, 2018. The programme was designed to teach various forms of performing art and craft so as to develop aesthetic values and appreciate the beauty of nature and also to provide limitless opportunities for the creative minds. In all, 108 students participated.

45. A One Day Workshop on “Fresh Water Pearl Culture”

Date: October 08, 2018

A one day workshop was organized by School of Sciences on October 8, 2018 on “Fresh Water Pearl Culture”. The workshop was to understand the importance of freshwater pearl farming in the country and to develop entrepreneurship through pearl culture.

Guest Speaker Ms. Sweta Srivastava during lecture

46. WAR OF WORDS – The Intra Departmental Debate Competition

Date: October 05, 2018

MANAV – The Human Resource Club of Student Development Cell of SBM organized debate competition on the topic “21st Century is in the hands of Smart Workers or Hard Workers” on October 05, 2018 in the SBM Auditorium. Students participated in the event. Ms. Prateeksha Gupta- BBA III Semester was selected as the best debater, Ms. Akansha Gupta- B.Com (H) III Semester as the best speaker from smart workers group and Ms. Simran Sandal-B. Com III Semester as the best speaker from hard workers group.

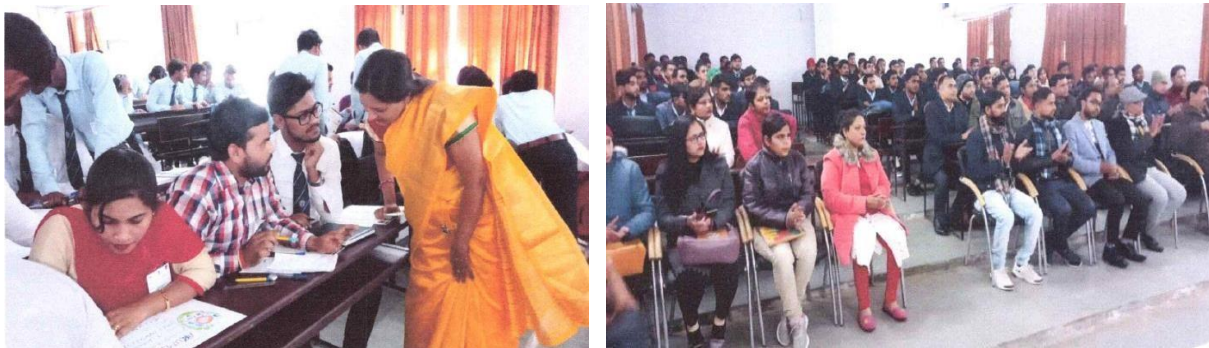

Participant presenting his view to audience and judges during competition

47. Three Days Entrepreneurship Awareness Camp

Date: October 03-05, 2018

This Entrepreneurship Awareness Camp (EAC) was organized to expose the students of Science & Technology stream and to motivate them so as to take up Entrepreneurship as a career. In the EAC, 80 students of Science, Pharmacy, Computer Application, Agriculture, Engineering and Biotechnology were the participants. A total of 80 students present in the seminar hall of Pharmacy Academy, IFTM University, Moradabad.

Participants during awareness camp

48. Weekly lecture Series-II: History and overview of protected cultivation

Date: October 03, 2018

A lecture was organized by School of Agriculture Sciences and Engineering on the topic “History and overview of protected cultivation” in continuation of weekly lecture series on different aspects of agriculture and innovations in it on October 03, 2018.

Expert delivering the lecture on the selected topic

The main aim was to enhance the knowledge of students in different domains and enable them to think out of the box. The speaker Mr. Krishan Pal imparted his views on the “history and overview

of protected cultivation”. The lecture was beneficial for students who wanted to start their enterprise on protected cultivation after their degree programme. Total 117 students participated in the event.

49. Foundation Course on English, Logical Reasoning

Date: September 26, 2018

This course was designed to learn the ability to write English correctly. The course will provide exposure to the students in Good Prose Texts and poems and expose the students to value-based ideas. School of Engineering & Technology (SET), IFTM University, Moradabad organized a Foundation Course on English & Logical Reasoning starting from 26 September 2018. During the program, 111 students registered for the above classes from various departments of the School of Engineering & Technology.

50. Weekly lectures Series: Career Opportunities for agricultural graduates”

Date: September 26, 2018

A lecture was organized by School of Agriculture Sciences and Engineering on the topic “Career Opportunities for agricultural graduates” in continuation of weekly lecture series on different aspects of agriculture and innovations in it on September 26, 2018. The main aim was to enhance the knowledge of students in different domains and enable them to think out of the box. The speaker Mr. R.D. Shukla imparted knowledge to students about career opportunities available for agriculture students. The students gained knowledge about different career opportunities available for agriculture graduates and post graduates. Total 200 students of UG & PG participated in the event.

Expert delivering a lecture on the occasion of special lecture series

51. World Pharmacist Day

Date: September 25, 2018

Faculty of Pharmacy, IFTM University, observed the World Pharmacists Day on September 25, 2018. World Pharmacist Day was organized this year with the theme "Pharmacists: Your Medicines Expert". On this occasion, various activities like poster competition, Rangoli competition and quiz competitions were organized in the School of Pharmaceutical Sciences on the above theme, just to spread awareness about the significant role of a pharmacist in the society. Around 250 Students from D.Pharm, B.Pharm and M. Pharm participated in these activities with zeal and enthusiasm. Winners were felicitated with trophies by the Dean, Prof. Navneet Verma and Director, Prof. Sushil Kumar. The program was organized by Dr. Amrita Mishra and Dr. Alka Lohani.

Pictures of World Pharmacist day-2018 organized by Faculty of Pharmacy

52. General Health Check-up Camp

Date: September 25, 2018

The Faculty of Pharmacy (School of Pharmaceutical Sciences and Pharmacy Academy) organized a program on General Health Check-up Camp on September 25, 2018. Welcome address was given by Prof. Navneet Verma, Chairperson of event. Afterwards, Dr. Prashant Upadhyay, Convener of the event shared a brief note.

The primary goal of organizing this event is to educate the importance of Health in day-to-day life. However, with each passing day, the relevance and importance of Health have only increased. The people got awareness about the importance of Health and their benefits in day-to-day life. They took the pledge to be concerned about the above issues.

Prof. Sanjeev Agrawal, Registrar, talked about the importance of Health. Prof. Sushil Kumar, the Organizing Secretary, gave a vote of thanks at the end of the event.

Students during camp

53. An Industrial Visit to Parag Dairy Plant, Dalpatpur

Date: September 22, 2018

An industrial visit to Parag Dairy Plant, Dalpatpur, Moradabad, was organized by School of Sciences, IFTM University, Moradabad, for UG and PG students on September 22, 2018. The details of the operations were explained by Mr. Praveen Kumar Yadav from Parag Dairy Plant, who gave valuable insight about the plant and its operations that start with the procurement of milk which involves stringent quality tests. He explained to the students that after successful confirmation of many tests, the accepted milk undergoes processing through technical processors which integrates and completely automates all the operations related to milk processing.

Students during their visit to parag Dairy

54. Weekly Lecture Series: Advances in Soil Sampling Techniques

Date: September 19, 2018

A lecture was organized by School of Agriculture Sciences and Engineering on the topic “Advances in soil sampling techniques” in continuation of weekly lecture series on different aspects of agriculture and innovations in it on September 19, 2018. The main aim was to enhance the knowledge of students in different domains and enable them to think out of the box. The speaker Mr. Divankar Dube presented his views on the advances in the soil sampling techniques as soil is considered to be the fundamental input that contributes to the agricultural development. Total 47 students participated in the event

Guest lecture delivering his views

55. Vishvakarma Puja

Date: September 17, 2018

Mechanical Department celebrated September 17 as Vishwakarma Puja to pay obeisance to Lord Vishwakarma; regarded as the god of architecture and engineering. It was a resolution time for students and faculty to dedicate themselves to the cause of advancement of technology and gain divine inspiration for creating novel products. This ritual is performed within the workshop with special prayers, havan and distribution of sweets.

Chief Guest during Vishvakarma Puja

56. Workshop on “How to Become an Effective Communicator”

Date: September 17-21, 2018

MANAV – The Human Resource Club of Student Development Cell, School of Business Management organized one week workshop on “How to Become an Effective Communicator” for the first year students of commerce from September 17-21, 2018. Dr. Arkja Singh, a certified trainer in Soft Skills and Personality Development, facilitated the workshop along with the other faculty members. The facilitators explained how communication occurs in many forms, including verbal and non-verbal, written, visual, and listening. In all the workshop was attended by 35 first year commerce students.

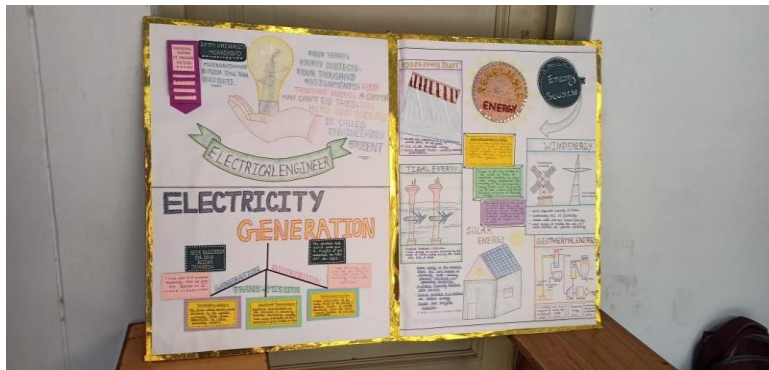

Students doing activity during session

57. Creative Ideas Discussion on Engineer's Day

Date: September 15, 2018

School of Engineering & Technology, IFTM University celebrated the big day by discussing the creative ideas with the involvement of under graduates of various streams. Engineer's Day is celebrated on September 15 every year. The day marks the birth anniversary of Indian civil engineer, Bharat Ratna Mokshagundam Vishweshwaraya. Also known as Sir MV, he was awarded the Bharat Ratna for his contributions in the field of engineering. In all, 92 students participated in this event.

Poster presentation on Engineer's Day

58. Guest Lecture on “Digital Banking: Opportunities and Challenges

Date: September 13, 2018

Student Development Cell of School of Business Management organized a guest lecture on “Digital Banking- Opportunities and Challenges” on September 13, 2018 in the Auditorium. Mr. Arun Kumar Nigam, Manager, Punjab National Bank was the key resource person. The session was very interactive and Mr. Nigam dispersed deep insights to all the students pertaining to challenges in digital banking such as sustainable competitive advantage and despite of several challenges there are waves of opportunities for business enterprises to tap large revenue by exploring digital ideas. In all, 120 students of first year programme attended the session.

Mr. Nigam addressing the students

59. Workshop on Cyber Security and Ethical Hacking

Date: September 13, 2018

Workshop on Cyber Security and Ethical Hacking for Pre final year MCA and BCA Students was organized in the Department of Computer Applications with the help of Training & Placement Cell from 10:00 PM To 5:00 PM on September 13, 2018. In all, 55 students from MCA/BCA course participated in the event. The students found it helpful regarding their training in KVCH Technology. The Students were benefited from the workshop in the following ways: (i) Firstly, the workshop gave student an insight of the Ethical Hacking i.e compromise of email hacking DOS attacks SQL Injection etc.

Students during training programme

60. Workshop on “Career Counselling” (Intermediate Level)

Date: September 10, 2018

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Intermediate Level). The session was mainly focused on all the Pre-Final Year Students of SBM. Dr. Megha Bhatia, Assistant Professor, SBM, IFTM University, facilitated the Workshop on Career Counselling. She guide the students they must focus on finding opportunities, always motivated to fulfil their dreams. The Pre-Final Year Students needed to be reminded to stay on track and stay self-motivated. In all, 134 students attended the programme.

Dr. Bhatia addressing the students during session

61. Motivational Speech for MCA Final Year Students

Date: September 10, 2018

A motivational speech for MCA Final Year Students by faculty members of Department of Computer Applications was organized in the Department of Computer Applications at 2:00 PM To

5:00 PM on Saturday September 10, 2018. In all, 112 students from all MCA courses participated in the event. The students found it helpful regarding their future perspective. The outcome of this event was to motivate the students and provide details about resume building capabilities with soft skills development.

Faculty addressing students during motivational session

62. Workshop on “Career Counselling” (Beginner Level)

Date: September 08-09, 2018

School of Business Management, IFTM University organized a Workshop on “Career Counselling” (Beginner Level). The session was mainly focused on all the first year Students of SBM. As students continue their college education, it’s significant to consider suggestions that can help them grow professionally and personally. Dr. Swati Rai, a certified trainer in Soft Skills and Personality Development, facilitated the Workshop on Career Counselling. She said college students can make use of all the above career guidance and prepare accordingly so that they can excel in their careers enormously. In all, 293 students attended the programme.

Students attending the session of Dr. Rai

63. Bio Brainz III- 2018

Date: September 06, 2018

A Quiz Competition, “Bio-Brainz-III-2018” was organized by School of Biotechnology (SBT) on September 06, 2018. The event was inaugurated by Director, SBT and Head, SBT with ribbon cutting ceremony, followed by lightning of lamp, later the importance of the event was informed by Director SBT. In all, 40 students of different programmes participated in this event. The purpose of this event was to assess student’s learning of the quiz and to motivate them to enhance their knowledge and offer them a platform to showcase their skills. Winner of this event was Vinay Kumar (B.Sc. Biotechnology III year).

Participants during quiz competition

64. A Seminar on “Job Shadowing”

Date: September 06, 2018

A Seminar on “Job Shadowing” was organized by Department of Botany School of sciences IFTM University, Moradabad on September 06, 2018. Dr. Diwakar Shukla, Assistant Professor, Pharmacy Academy, IFTM University is the Eminent Speaker of this seminar. This seminar is helpful to know when choosing between job offers since work culture can often make or break a decision. Job shadowing is aimed at helping interns. In all, 65 students participated in the event.

Eminent Speaker, Dr. Diwakar Shukla discussing about various prospects of jobs

65. Moot Court Exercise

Date: September 04, 2018

For the practical knowledge and enhancing legal skills, a moot court exercise was done by School of Law, IFTM University on September 04, 2018. In this part of exercise, a problem is discussed in a moot court by making a complete scenario of real court, witnesses, plaintiff and defendant, advocates and judges. This practice makes the law student sharper to know the better legal knowledge.

Students during session

66. Aptitude & Logical Reasoning Classes

Date: September 03, 2018

School of Engineering & Technology (SET), IFTM University, Moradabad organized a Foundation Course on Logical Reasoning starting on September 03, 2018. Each month 3-4 classes were conducted. In all, 556 students attended the classes.

67. Data Analysis in Legal Research

Date: August 31, 2018

A workshop was organized on the topic “Data Analysis in Legal Research”. Ms. Shilpi Gupta delivered a lecture and told the participants about the writing skills in legal field. She also discussed about the use of data analysis in research.

Ms. Gupta delivering lecture on the topic

68. Bio Brainz III- 2018

Date: August 28, 2018

A Quiz Competition, “Bio-Brainz-III-2018” was organized by School of Biotechnology (SBT) on September 06, 2018. The event was inaugurated by Director, SBT and Head, SBT with ribbon cutting ceremony, followed by lightning of lamp, later the importance of the event was informed by Director SBT. In all, 58 students of B.Tech. Biotechnology III and IV year participated in this event. The purpose of this event was to assess student’s learning of the quiz and to motivate them to enhance their knowledge and offer them a platform to showcase their skills. Winner of this event was Ms. Renu Singh (B.Tech. Biotechnology IV year).

Participants during quiz competition

69. Workshop on “Career Exploration”

Date: August 28, 2018

School of Sciences, IFTM University organized a Workshop on “Career Exploration” on August 28, 2018. Workshop was conducted by Dr. Sarika Arora, Associate Professor Chemistry focused on different post intermediate, post UG, post PG and post Ph.D. career opportunities elaborately. She mentioned opportunities for examinations like SSC, PSC, Civil Service, CAT, GATE after graduation, NET, SLET, GMAT and TOEFL after Post Graduation and PDF, D.SC, D. LITT after Ph.D. Few direct interactions were also entertained by her during the Workshop. Total 80 students participated in this workshop.

Students during the Workshop

70. An industrial visit to NITRA Technical Campus (Ghaziabad)

Date: August 25, 2018

An industrial visit at NITRA Technical Campus (Ghaziabad) UP was organized by Department of Home Science, School of Sciences on August 25, 2018. The main objective behind the visit was to make the students aware about the various activities related to Fibre, weaving, knitting followed by fabric production. The purpose of visiting the NITRA Technical Campus was to understand about the textile industry.

Students understanding the functions of loom

71. Entrepreneurship & Skill Development Classes

Date: August 20-25, 2018

School of Engineering & Technology inculcated entrepreneurship thinking skills in students during August 20-25, 2018 to develop entrepreneurial thinking skills. Around 230 students participated in a week long session. With many countries facing economic challenges across the globe, it has become important that greater entrepreneurial activity be incorporated by the governments.

Students attending skill development classes

72. Four Week Industrial Training

Date: July 17 to August 14, 2018

“Four Week Industrial Training” was organized by the Department of Journalism & Mass Communication from July 17, 2018 to August 14, 2018 at Doordarshan Kendra, New Delhi. In all seven students attended Industrial Training.

Students getting Certificates' at Doordarshan Kendra, New Delhi

73. Workshop on “Experiential Learning for Budding Entrepreneurs”

Date: August 10, 2018

UDHYAMI Club of Student Development Cell of SBM conducted Workshop on “Experiential Learning for Budding Entrepreneurs” on August 10, 2018 in the SBM Auditorium. The session comprised of block building and role play activities to enhance the critical ability and creative skills of students. Motivational speeches on self-grooming and career advancement were delivered by Dr. Himanshu Gupta and Dr. Anshika Sharma. The event was coordinated by Mrs. Shaffali Agarwal. This session enabled the students to enhance their critical ability and creative skills. In all, 180 students of all final year program attended the workshop. The workshop turned to be an encouraging, engaging and an interactive session.

Dr. Gupta addressing students during session

74. Geographical Tour

Date: August 08-10, 2018

Geographical Tour was organized by Department of Geography, School of Social Sciences on August 08-10, 2018 at Jaipur, Rajasthan. In all 50 students visited the historical place.

Students exploring Jaipur site

75. One day Training and Grooming program

Date: August 03, 2018

One day Training and grooming program was organized in the Faculty of Pharmacy for B.Pharm students on August 03, 2018. The objective of this one day program was to develop the overall personality of the students and to prepare them for job interviews and competitions. Different activities were conducted during this program and students were trained and judged on the basis of their appearance and hygiene, team work and decision making ability, etiquettes and manners. 120 students participated in this activity and winners were felicitated by the Dean Dr. Navneet Verma, Director, Dr. Sushil Kumar and Head of the Department, Dr. Kavita Gahlot. The program was organized successfully by the active support of Dr. Amrita Mishra and Dr. Alka Lohani.

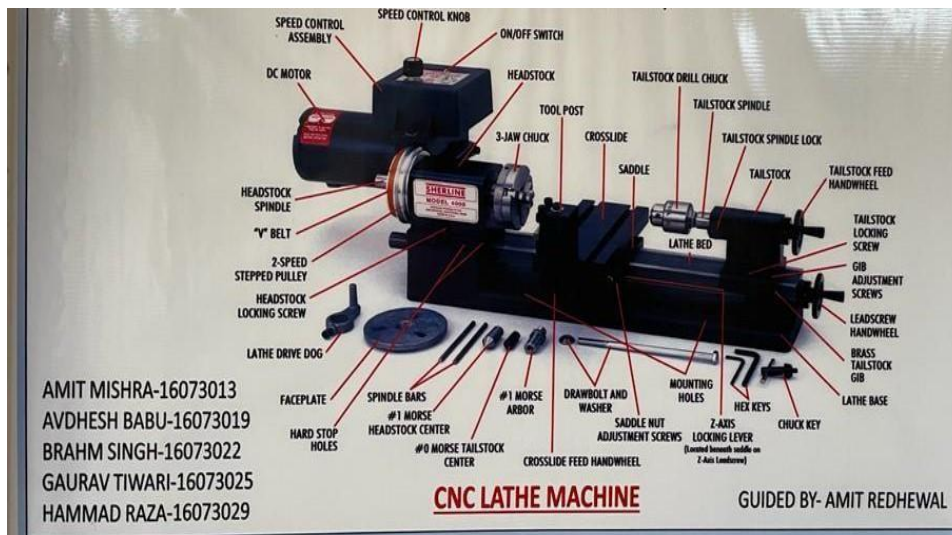

Students learning during training programme

SUMMARY REPORT BOARD OF LITERARY ACTIVITES (BOLA)

76. Poster Making Competition on National Technology Day

Date: May 11, 2019

School of Engineering & Technology, IFTM University organized poster competition on National Technology Day on May 11, 2019 among students on National Technology Day by graduates of various streams. National Technology Day is celebrated on May 11 every year to honour the contributions of India's scientific community including scientists, researchers and engineers. The significance of the date lies in the series of technological advancements the country achieved on the day decades earlier. In all, 100 students participated in this event.

Poster presented by as student on National Technology Day

77. Poster Making Competition on World Earth Day

DayDate: April 22, 2019

School of Engineering & Technology, IFTM University organized poster competition among students on World Earth Day by graduates of various streams on April 22, 2019. Earth Day is a commemoration of the Earth's natural environment, with the goal of raising awareness and respect for it. On Earth Day, everyone was encouraged to turn off all unnecessary lights around the world. In all, 100 students participated in this event.

Poster presented by a student on the occasion of Earth Day

78. Painting and Slogan Writing Competition

Date: February 12-18, 2019

Department of Education, School of Social Sciences celebrated ‘National Productivity Week’ during February 12-18, 2019.
