Value Added Course

Preamble:

Language can be spoken, heard, written, read, understood, interpreted, translated, and even more. Most of the language tests isolate with one of the four major skill forms: **listening, speaking, reading and writing**. School of Social Sciences, IFTM University, offers a wide variety of short term certificate courses, which will be conducted after class hours in the coming semester. These courses are conducted by the teachers to help the students stand apart from the rest, in job market, by adding further value to their resume.

Course Objectives:

- ✓ To give knowledge of using language effectively through LSRW skills (listening, speaking, reading and writing).
- ✓ Remove fear which is a stumbling block for many in their quest for speaking better.

Available Courses:

There are various kinds of certificate courses available for the students. The students have the option to choose the courses according to their interests and inclinations. The value added courses offered in the form of training programs/ modules are as follows:

1. Language Acquisition for Competitive Exams:

To meet the growing demand of competitive field, the teaching and learning processes in IFTM University is providing confidence to communicate and strong analytical skills for the students to clear Competitive Exams.

(For programme details see Annexure 'A')

2. Aptitude Test:

This programme covers topics like Quantitative aptitude and Logical reasoning, which is highly interactive and is designed to give the students the much needed edge in positioning them ahead of the curve in today's highly competitive world.

(For programme details see Annexure 'B')

General Guidelines for students:

1. The students are advised to read the guidelines very carefully before proceeding.

2. The courses are open for all the students of Undergraduate and Post-Graduate Courses of the school.
3. The interested students are free to register in more than one Course.
4. Interested students are required to fill the registration form, and the admission for a course will be done on first come first serve basis.
5. On the commencement of the course, it is mandatory for the students to attend all the classes pertaining to the course.
6. The students will not be eligible for certificate if the attendance in the opted course is less than 75%.
7. The certificate shall be provided by the University to the students upon successful completion of the course.
