Address of Applicant :Assistant Professor, Rungta Institute of Pharmaceutical Sciences, Bhilai, Durg, Chhattisgarh, Pin Code: 491001 Bhilai -----
12)Mr. Sagar Sahu
Address of Applicant :Assistant Professor, Columbia Institute of Pharmacy, Tekri, Near Vidhansabha, Raipur, Chhattisgarh, Pin Code: 493111 Raipur -----

(57) Abstract :
The present invention relates to the preparation and evaluation of nautral and herbal dhoop formulation for cleansing the environment by pathogenic microbes. All the powders and cow dung were taken in a clean, dry mortar and pestle and macerated finely. And one night before swelled gum .This mixture was then added to the powder mix and add neem oil,tulsi oil again macerated finely to obtain a fine paste. The cone shaped incense,which is still wet comes out ,it was dried at room temperature and burned. The Herbal dhoop incense with pleasant smell and with antimicrobial property was prepared, which is to be used for both mythological and antimicrobial purpose.The above result it is evident that this dhoop can cleanse the environment and can be potential and efficacious source of disinfection in various areas.
