Overview

The Indian Language, Culture and Art cell of IFTM University strives to promote an environment where students get to absorb best of cultural and traditional values for all around development of their personality. We provide them best of mentors to imbibe moralities and traditions of our culture and help them to develop winning traits in them – by taking part in various cultural and literary activities that represent our beliefs and define our existence as an educational body. The main objective of this cell is to inculcate in our students the sense of pride and belonging to the *alma mater*. This always pays back when we see those reflecting great values, team spirit, sportsmanship and camaraderie to the best of their ability.

Vision

India is a gold mine of culture, developed over thousands of years and manifested in the form of arts, works of literature, customs, traditions, linguistic expressions, and more. The vision of The Indian Language, Culture and Art cell is to preserve, promote and disseminate all forms of Language, Art and Culture in order to achieve holistic development of the student.
