International Students Cell (ISC)**

The International Students Cell has been established in compliance with office order no. 1211/Gen.Admin/2020, dated 24-09-2020, New Education Policy-2020 (NEP-2020)

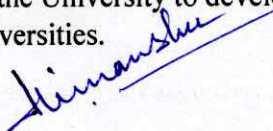

The International Students Cell will coordinate all activities related to the admission of International Students, including their eligibility conditions and programme selection of their study. Through ISC an attempt will be made to bring scholarships and administer MOU's with International Partners of higher education through connecting with different Embassies and other stakeholder.

ISC in coordination with different schools of the University will identify globalexperts and facilitate their interaction with faculty and students, via visits and lectures. This will foster possibilities of long-term collaborations in research as well as student exchange programmes etc. The aim of ISC will be to promote a global perspective in the teaching, research, and outreach programs of the University.

The objectives of the cell are as follow:

1. To identify the areas to support for betterment of academic activities and excellence at IFTM University, Moradabad.
2. To develop strong international relationship with Universities and Higher Education Institutions of different countries by entering into a Memorandum of Understanding (MOU).
3. To facilitate research collaborations, exchange of research ideas, students, and cultural exchange programs.
4. To promote our indigenous student's interest in visiting universities outside of the country for short-term training programs.
5. To create the awareness of the government schemes/fellowships to the faculty members and students at the National and International level.
6. To organize academic and research workshops, seminars, and conferences in partnership with international universities.
7. To conduct knowledge enrichment sessions for all students, whether domestic or foreign students through international experts.
8. To conduct knowledge transfer programs through means of international FDP/STTP.
9. To work with academic departments of the University to develop, coordinate and promote joint academic programs with other Universities.

The Coordinator: Dr. Himanshu Gupta
