About the Authors

Dr. ARUN KUMAR MISHRA, completed B.Pharm. and M.Pharm. from U. P. Technical University in years 2006 and 2009 respectively. He has completed Ph.D. in Pharmacy. After qualifying GATE 2006 and 2009 Dr. Mishra received a fellowship of Rs. 120000 from AICTE. He is having 13 years of teaching experience with an experience of supervising 20 M.Pharm. students. Under his supervision, 7 students have been awarded Ph.D., 2 students have submitted the Ph.D. thesis and 6 are working for Ph.D. degree.

His area of interest is Pharmacotherapeutics, Analytical Chemistry, Dermatology, Synthetic Medicinal Chemistry, Natural Product Chemistry and Nanotechnology based formulations.

Dr. Mishra is recipient of workshop grant from DBT, authored three books, two books chapter and got published Government bodies and presented 36 posters in various conferences. He has to his credit 84 research and 32 review articles in various journals of high repute with cumulative impact factor 41.07 in SCI indexed journals. Apart from this, Dr. Mishra has been awarded for various credentials by different Organizations including P.D. Sethi organization, Bentham Brand Ambassador Award, Shikshak Shree Award, Bharat Jyoti Award, Best Researcher Award, Acharya Sitomani Award etc. He has organized various academic events, and recently organized 7days refresher course in March 2021 as co-convener.

Apart from his duties as Professor IFTM University, he is in charge of Central Facility of Instruments to independently handle UV, FTIR, HPLC, Brookfield Viscometer, Sonicator etc. In addition to academic responsibility as Professor and Head (Pharmacy), Dr. Mishra is also engaged in administrative works as Dean, Students Welfare and in charge of University Guest House.

Dr. Harpreet Singh is working as an Assistant Professor in School of Pharmaceutical Sciences at IFTM University, Moradabad since August 2012. Dr. Harpreet Singh has received his Ph.D. in 2017; Master degree in Pharmaceutical Chemistry in 2012 and Bachelors in pharmacy (B. Pharm) in 2010 from IFTM College of Pharmacy, Moradabad. He has guided 06 M. Pharm students, presented papers in various national and international conferences and published/reviewed several articles in journal of repute.

He had also published a book on Polymer chemistry. Currently he is guiding 3 Ph.D. Students and 2 M. Pharm students. His teaching interest includes Pharmacotherapeutics, Organic Chemistry, Analytical Chemistry, Medicinal Chemistry and Pharmacology. He had received Rashtriya Gaurav Award-2019 and conferred Certificate of Excellence by India International Society, New Delhi. He had also Certificate of Merit for the research article entitled "Isolation, Characterization and Quantification of bioactive compound from Cleome viscosa L. seeds" published in South African Journal of Botany in Dr. P.D. Sethi Memorial Annual National Awards 2018 by Anchrom technologists. His primary research interests are in the field of photochemistry, drug design and analytical Chemistry.

Dr. Arvind Kumar is working as an Assistant Professor in School of Pharmaceutical Sciences at IFTM University, Moradabad since August 2012. Mr. Arvind Kumar has completed his Master degree in Pharmaceutical Chemistry in 2012 and Bachelors in Pharmacy (B. Pharm) in 2010 from IFTM College of Pharmacy, Moradabad. He has guided 06 M. Pharm (Pharmaceutical Chemistry) students. He has presented a number of papers in various National and International conferences and published number of research and review articles in reputed journals. Currently he is guiding several M.Pharm students. His teaching interest includes Medicinal Chemistry, Organic Chemistry, Analytical Chemistry and Pharmacology. His primary research interests are in the field of drug design and analytical chemistry.

Dr. Amrita Mishra completed B. Pharm. from U. P. Technical University and M. Pharm. from Bundelkhand University in years 2005 and 2008 respectively. She has completed Ph.D. in Pharmacy from Birsa Institute of Technology, Mesra, Ranchi in 2015. She is having 13 years of teaching experience with an experience of supervising 8 M.Pharm. students. Under her supervision, 1 student has submitted the Ph.D. thesis and 4 are working for Ph.D degree.

Her area of interest is Herbal drug development, Quality control of traditional and complementary medicines, Analytical techniques, Natural Product Chemistry and herbal cosmetic products. She has participated in 11 short time courses/workshop/conferences organized by different Government bodies and presented 20 posters in various conferences. She has to her credit 39 research and 14 review articles in various journals of high repute with cumulative h index 13. Dr. Mishra has been awarded P.D. Sethi organization and Best Researcher Award for her contribution in academic and research.
