Dr. ARUN K. MISHRA - Dr. HARPREET SINGH

N6254

About the Authors

Dr. Arun Kumar Mishra, completed B.Pharm. and M.Pharm. from U. P. Technical University in years 2006 and 2009 respectively. He has completed Ph.D. in Pharmacy. After qualifying GATE 2006 and 2009 Dr. Mishra received a fellowship of Rs. 120000/- from AICTE. He is having 13 years of teaching experience with an experience of supervising 20 M.Pharm. students. Under his supervision, 7 students have been awarded Ph.D., 2 students have submitted the Ph.D. thesis and 6 are working for Ph.D. degree.

His area of interest is Pharmacotherapeutics, Analytical Chemistry, Dermatology, Synthetic Medicinal Chemistry, Natural Product Chemistry and Nanotechnology based formulations.

Dr. Mishra is recipient of workshop grant from DBT, authored three books, two books chapter and got published 2 Indian patents. He has participated in 11 short time courses/ workshops/ conferences organized by different Government bodies and presented 36 posters in various conferences. He had to his credit 84 research and 32 review articles in various journals of high repute with cumulative impact factor 41.07 in SCI indexed journals. Apart from this, Dr. Mishra has been awarded for various credentials by different Organizations including P.D. Sethi organization, Beniham Brand Ambassador Award, Snikshak Shree Award, Bharat Jyoti Award, Best Researcher Award, Acharya Srimani Award etc. He has organized various academic events, and recently organized 7 days refresher course in March, 2021 as co-convenor. Apart from his duties as Professor IFTM University, he is in charge of Central Facility of Instruments to independently handle UV, FTIR, HPLC, Brookfield Viscometer, Sonicator etc. In addition to academic responsibility as Professor and Head (Pharmacy), Dr. Mishra is also engaged in administrative work as Dean, Students Welfare and in charge of University Guest House.

Dr. Harpreet Singh is working as an Assistant Professor in School of Pharmaceutical Sciences at IFTM University, Moradabad since August 2012. Dr. Harpreet Singh has received his Ph.D. in 2017. Master degree in Pharmaceutical Chemistry in 2012 and Bachelors in pharmacy (B. Pharm) in 2010 from IFTM College of Pharmacy, Moradabad. He has guided 06 M. Pharm students, presented papers in various national and international conferences and published/reviewed several articles in journal of repute.

He had also published a book on Polymer chemistry. Currently he is guiding 3 Ph.D. Students and 2 M. Pharm students. His teaching interest includes Pharmacotherapeutics, Organic Chemistry, Analytical Chemistry, Medicinal Chemistry and Pharmacology. He had received Rashtriya Gaurav Award-2019 and conferred

Certificate of Excellence by India International Society, New Delhi. He had also Certificate of Merit for the research article entitled "Isolation, Characterization and Quantification of bioactive compound from Cleome viscosa L. seeds" published in South African Journal of Botany in Dr. P.D. Sethi Memorial Annual National Awards 2018 by Anchrom technologists. His primary research interests are in the field of photochemistry, drug design and analytical chemistry.
