Chapter-16

Use and Importance of E-Library, E-Books, E-Journals and Inflibnet in Education: A Conceptual Analysis

Dr. Luxmi Mishra

Assistant Professor, Dept. of Education

School of Social Sciences

IFTM University, Moradabad, UP

Abstract: This chapter is thematic in nature. It highlights the use and importance of e-library, e-books, e-journals, and Inflibnet in education. Efforts have been taken to analyse the uses of these ICT-based services in education for improving the quality of learning. The salient features of e-books, e-journal, e-library, and Inflibnet have been explained with a suitable example and suggestions have been given to develop understanding among the students about these ICT-based services.

Keywords: E-Library; E-Books; E-Journals; Inflibnet

Introduction

The twenty-first century is called the era of change. The modern age is of technology. At this time every work is done through the internet. Bank, Railway, Hospital, Education, etc. in all fields, all the work is done online only through the internet. Human life has been addicted to the use of technology in the present context. Technology has developed its importance by the acceptance of human beings. In this context, if we analyse the role of technology in the educational context, it can be found that technology
