ACTION TAKEN REPORT
BASED ON
(CURRICULUM FEEDBACK ANALYSIS)
2020-21
SCHOOL OF LAW

Sanjeev Dossand

REGISTRAR
IFTM UNIVERSITY
MORADABAD.

Based on the Curriculum Survey conducted for the year 2020-21, sliding trend was observed (in regards to the preceding year's observations) in some of the vital parameters. To address the issues, the IQAC working committee convened the meetings of stakeholders including the office bearers and apprised them of these observations for corrective measures.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	Curriculum was not found as easy to understand by some of the students.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
2	The instructions pertaining to the curriculum was not found as easy to understand by most of the students.	Faculty explains the course structure, syllabus and expectations from the students at the start of the session. The activities and assignments required to be done by the students are explained in an easy to understand manner to the students during the course.
3	Most of the students found a good balance between theory and practical sessions.	The observation required no further action.
4	A considerable number of students shared their discontent with the practicality and relevance of some subjects in getting the (desired) job.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
5	Some students were found apprehensive about the applicability of subjects in daily life.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
6	Most of the students saw the courses as helpful in developing their personality.	The observation required no further action.
7	Students required support of reading and	Faculty shared free online resources and

	reference material for their subjects.	free e-books wherever available; with the students. Students were guided on how to access and use various online resources subscribed by the University library and available to the students.
8	Most of the students concurred that reference material is provided along with the course content.	The observation required no further action.

TEACHERS

1	Most of the teachers saw the syllabus as suitable and appropriate.	The observation required no further action.
2	Most of the teachers saw the syllabus as need based.	The observation required no further action.
3	Most of the teachers felt that objectives of the syllabi are well defined and clear to teachers and students.	The observation required no further action.
4	Most of the teachers concurred that syllabus has good balance of theory and application.	The observation required no further action.
5	Teachers feel that syllabus has made them interested in the subject area.	The observation required no further action.
6	Syllabus is rich enough to increase the knowledge of the teacher in their respective subjects.	The observation required no further action.

ALUMNI

1	Not all the former students feel that their curriculum was sufficient.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
2	Alumni felt that their curriculum equipped them sufficiently for their present professional role.	The observation required no further action.
3	A considerable number of alumni felt that the	The observation required no further

	course they studied is significant in relation to their current job	action.
4	Most of the students shared that the learning from the course are applicable in real life.	The observation required no further action.
5	Professional Courses are required to be aligned with the industry	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
