BASED ON
(CURRICULUM FEEDBACK ANALYSIS)
2022-23
SCHOOL OF SCIENCES

Based on the Curriculum Survey conducted for the year 2022-23, sliding trend was observed (in regards to the preceding year's observations) in some of the vital parameters. To address the issues, following actions were taken by the department.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	Some of the students shared their apprehension with the practicality and relevance of some subjects in getting the (desired) job.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
2	Some students were found apprehensive about the applicability of subjects in daily life.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS.
TEACHERS		
3	Some of the teachers felt that objectives of the syllabi need to be defined in a better manner for its clear understanding to teachers and students.	The HoD convened a departmental meeting and the course objectives are discussed for uniform understanding to all the faculty members. The class coordinators explained the COs further to the students at the commencement of the new semester.
ALUMNI		
4	A considerable number of alumni felt that the course they studied is not much significant in relation to their current job	While some students were found to have taken up a career different from the program they pursued. It was also learnt that the curriculum might need an update, which is discussed regularly at the BoS.

	Industry specific projects (opportunities) were found not in sufficient number.	MoU and associations have been done with various business organisations.
5	The University shall work in creating an intellectual environment for research and development aware of emerging technologies leading to continual learning needed for a successful professional career, to create a center of excellence develop technocrats and business leaders.	The University has provisions for providing financial aid to the students involved in research. No further action was deemed necessary by the department. The class coordinator do brief about it to the students at the start of the new semester.
