ACTION TAKEN REPORT

BASED ON

(CURRICULUM FEEDBACK ANALYSIS)

2022-23

SCHOOL OF PHARMACEUTICAL SCIENCES

Based on the Curriculum Survey conducted for the year 2022-23, sliding trend was observed (in regards to the preceding year's observations) in some of the vital parameters. To address the issues learnt through Curriculum Feedback Report, following actions were taken by the department.

S.NO.	OBSERVATIONS	CORRECTIVE MEASURES
STUDENTS		
1	A considerable number of students shared their discontent with the practicality and relevance of some subjects in getting the (desired) job.	The curriculum gets updated at regular interval to weed out any redundancy and make it practical, relevant in daily life and useful for professional growth. The revision in curriculum was done in BoS and necessary changes were made wherever deemed necessary.
TEACHERS		
ALUMNI		
2	Some alumni found that their curriculum is not much useful and relevant in their current job	It was learnt that many students are pursuing careers different from the area of study they had at the University, including some working in PSUs / Government sector.
3	Industry specific projects (opportunities) were found not in sufficient number.	MoU and associations have been done with various business organisations.
4	Some former students did not find the environment conducive for learning and intellectual growth.	The students have been apprised about the various journals available in the various fields of engineering. The students were educated about and encouraged to participate in various seminars and conferences.
